more about us...

WE ARE REBELS

We are nonconformists. We clash. We experiment with flavor and celebrate the harvest. We are beautifully crafted, exceptionally flawed, and eccentrically woven with stories, international cuisine and the spices of Northern Nevada.

“THE EXCHANGE”

We exchange conversation. We exchange bites. We exchange food and wine knowledge. We exchange empty wine bottles for full ones. We exchange personalities, perspectives and stories.

We believe the dinner table is where the exchange happens, and where we create unforgettable “fork and knife moments.”
